

To all:

Individuals are canvassing West Lakes neighborhoods telling property owners that the conservancy will do a number of things. Such as:

They are going to take your land - NOT TRUE

They are going to put hiking trails across you land - NOT TRUE

They are going to put gravel all along the river so they can access your trails - NOT TRUE

They are going to put picnic tables and campsites on your property - NOT TRUE

The Conservancy District is designed to do one thing: create a reliable, long-term funding source to continue and improve upon flood prevention efforts already being carried out through volunteer labor and donations. This includes ongoing work like dredging, tree removal and weed control. Downstream, the only goal of the Conservancy is to continue doing what has been done for the last 10 years - to continue to work cooperatively with property owners. Nothing new or intrusive.

Persons involved with this effort will pay LESS than a West Lakes Membership would cost (\$40.00)

If you want to find out more information or have questions, attend the West Lakes Annual Fall meeting on August 29th, at the West Lakes Boat Mart, 085 E Holiday Pt Rome City.

Registration starts at 9am and the meeting will start at 10am followed by a potluck.

If you have signed the dismissal petition on false pretense and would like to remove your name from that petition, please sign the attached and give to any of the steering committee members, bring it to the fall meeting or mail it to:

West Lakes Conservancy

P.O. Box #18

Rome City, IN 46784

If you can't attend the West Lake Fall meeting and would like more information, you can contact any of the following steering committee members.
