

July 28th, 2026

To all West Lakes Residents:

Effective July 21st, Jean Thomas has stepped down as President of West Lakes Association for personal reasons. Jean has been passionate about West Lakes and making West Lakes a better place. Her untiring efforts over the last 5 years have focused on the conservancy, keeping the water flowing downstream through log removal and weed spraying. Silt removal in our lakes and channels, along with WLA membership and keeping WLA members informed were also her top priorities. Jean's guidance and wisdom will be missed. Jean's love for West Lakes continues even as we move forward without her. We wish her continued success in her future endeavors.

Randy Mull as vice-president will assume the role of President for the duration of Jean's term which is up for election at the fall WLA meeting on August 29th.

Jean Thomas

Randy Mull
